

# MAPLE MANOR

## TREE OF LIFE

The Maple Manor Tree of Life was created in memory of our residents, our employees and their families who were deeply rooted within our community. Each year Maple Manor will honor the life of your loved one by planting a Rose Perennial underneath the Tree of Life. As the perennial blooms every year, their lives will be celebrated, honored and remembered in perpetuity. The Tree of Life Ceremony is held every Spring. All residents, employees and families are invited to attend to share their memories and blessings.

The Tree of Life is a universal symbol across countries, religions, cultures and societies of people. A tree is a powerful manifestation of life, bounty, beauty and growth. Its life can last for over a thousand years. The trunk symbolizes strength, endurance and longevity. The tree branches embrace, reach out and accept all people. The roots represent a solid foundation within the community, as well as, strong relationships among society as the roots interconnect with other trees. The leaves signify emerging new life and its changing bold colors stand for character, individuality and diversity.
